SOURCE

25X1X

Four jet aircraft were observed at the Grossenhain (N 52/A 01) airfield between 6 a.m. and 6 p.m. They were painted silver-gray, had a red bordered air intake and red tips on the rudder assembly. An estimated 5,000 men were quartered at the field.

Comment:

a. The presence of jet aircraft is confirmed by other sources. Two fighter regiments are assumed to be stationed there, the identification numbers of which are unknown. The number of jet aircraft stationed in Grossenhain is estimated at about 40.

25X1C

c. The correctness of the information on the personnel stationed at the field cannot be verified but is probably exaggerated.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
